AMERICAN LEGION TO ELECT OFFICERS

Bourbon Post of the American Legion will hold its regular monthly meeting Friday night, December 1, at 7:30. This meeting will be held in the new club rooms of the Legion at the Memorial Building. There are two special articles of business to come before the Legion. The officers for the coming year will be elected. Second, some arrangements will be made for keeping the Club rooms open for the use of the service men.

Some of the men have been disappointed that the rooms have not been open since Armistice Day. Those in charge have not been able to arrange for some one to attend the building at all hours, and were afraid to leave it open promiscuously. It is hoped that the fellows will be patient till these little things can be adjusted. A full turnout of the men is desired for the meeting Friday night.

T. S. SMYLYE, Commander.

LIVE STOCK DEALS

W. A. Thomason, of Bourbon county, one of the best-posted stockmen in the county, acted as one of the judges at the Fat Cattle Show held in Louisville recently. The show brought together the finest lot of cattle ever seen in the State. Mr. Thomason purchased the cattle taking the first prize, raised by W. J. and B. A. Thomas, of Shelbyville, paying \$14.10 per hundred, the cattle averaging 1,350 pounds. Mr. Thomason also bought the cattle taking the fifth prize, raised by J. R. McKinney, of Madison county, paying for them 11 1/2 cents per pound. This bunch averaged 1,300 pounds.

Jos. M. Hall, of Paris, sold this week to Stern, Struble & Waters, of Cincinnati, two loads of fat cattle, weighing 1,350 pounds at \$9.50, to be shipped out the first of the coming week.

NEW EXECUTORS

On account of refusal of J. L. and G. C. Ewing to qualify as executors of the estate of Miss Dessie Ewing, deceased, the Bath County Court appointed E. H. Goodposter, of Owingsville, to act in that capacity. John L. Vice, J. B. Hampton and J. R. Ammerman were appointed as appraisers. In her will Miss Ewing, who died last week, bequeathed \$500 to Miss Carroll Leer, daughter of Mrs. Charles C. Leer, of Paris.

CIRCUIT COURT

Judge Dedman overruled the motion for a new trial in the case of the Commonwealth vs. Robert Link. The case will now be taken to the Court of Appeals. Link was placed under arrest several weeks ago as the result of a search of his place made by Sheriff Collier and deputies, in which several bottles of moonshine liquor were found. The case was tried in the Bourbon County Court before Judge George Batterton, and resulted in Link being given the minimum penalty, a fine of \$100 and a thirty-days' jail sentence. Through his attorney, Raymond Connell, Link took an appeal to the Bourbon Circuit Court, where he was given a fine of \$300 and a jail sentence of thirty days. A motion was then made for a new trial, which Judge Dedman denied.

Injunction suits were filed in the Circuit Court Tuesday by the Bourbon-Agricultural Bank and Trust Co., the Farmers & Traders Bank, First National Bank, Peoples' Deposit Bank & Trust Co., of Paris, and the Deposit Bank, of North Middletown, to enjoin Sheriff M. Peale Collier and deputies from collecting from them any more taxes than on their real estate, and anything in excess of six per cent, of their remaining property, the banks claiming taxation in excess of this results in the banks paying more than other citizens are required to pay. The Bankers' Association of Kentucky has inaugurated a general movement in an effort to prevent what the banks claim is a distinction against them under the tax laws, and many such injunction suits are being filed very generally by the banks over the State of Kentucky.

The injunction suits ask that the Sheriff be restrained from collecting more than the above-mentioned taxes from the banks until the Court could decide the question raised by the banks. The State and county was represented by Judge George Batterton, and County Attorney Cline, and the banks by Attorneys Talbott & Whitley, E. M. Dickson and Denis Dundon.

The time of the Court was taken up Wednesday in securing a jury in the case of Charles Morrison, and his son, Isaac Morrison, of Cynthia, against Dr. Chas. Daugherty, of Paris, in which each of the plaintiffs seek to recover \$10,000 damages alleged to have been sustained through the amputation of the younger Morrison's foot by Dr. Daugherty, following an accident sustained by young Morrison in the Louisville & Nashville railroad yards in Paris. It was alleged that young Morrison, in company with another boy, rode from Cynthia to Paris on a freight train and alighted in the railroad yards here. In endeavoring to get on the train with the intention of going to Winchester the Morrison boy fell beneath a car and his left foot was crushed. He was taken to the Massie Memorial Hospital, in this city, and Dr. Daugherty, as the L. & N. local physician, was called, who amputated the foot. The plaintiffs claim that the operation was done without their consent, and was unnecessary. Dr. Daugherty claimed that the amputation was necessary in order to save the boy's life and that it was necessary to perform it at once. The two suits were tried jointly, the plaintiffs being represented by Chester N. Jewett, of Cynthia, and Oscar T. Hinton, of Paris, while Dr. Daugherty was represented by Talbott & Whitley, of Paris. Testimony in the case occupied Wednesday afternoon, and yesterday morning, and after arguments the case was given to the jury at three o'clock. The jury after being in session about two hours, came in with a verdict in favor of the defendant, Dr. Daugherty.

A CORRECTION

Rev. Father William O'Hare desires THE NEWS to state that the item making him the officiating minister at the wedding of Mr. Jos. Zehinin and Miss Edith Mershed, both of Dayton, Ohio, was a mistake and that he was not present. Our information came from what we considered reliable source. This correction is made in justice to Father O'Hare.

HIGH SCHOOL COURSES APPROVED BY COLLEGES

Announcement was made from Frankfort by the department of education that the accrediting committee of the Kentucky College Association, approved the courses of study outlined for high schools of Kentucky. The department of education submitted the courses to deans of the various Kentucky colleges who were present at the meeting.

The committee also announced that 16 units hereafter will be required for graduation in any accredited high school in the State. Interpretation of the word "equivalent," as related to college courses, was given by the committee, the decision finally disposing of the mooted question as to what is the equivalent of the college course.

"A college course," the decision adopted reads, "covers certain generally accepted subjects. A teacher may have mastered these subjects without having attended an approved institution. Any teacher who has not attended an approved institution and who seeks credits on a subject in the prescribed course of an approved institution, may establish these credits on presentation of proof that he actually did this work in some school or schools, or upon examination."

MIGHT HAVE CAUSED RIOT

A construction gang in the employ of the Cumberland Telephone Co., engaged in making excavations for laying conduits into the ground floor of the Paris exchange, made a remarkable discovery recently. While digging up the earth under the floor of the rear room the men discovered two bottles of bonded Sam Clay whisky, bottled in 1909, buried under the floor. The liquor was confiscated, and when the news of the discovery became generally known there was an exodus to the Cumberland plant, but, sad story to tell, there was nothing doing for the general public. It is not known how the wet goods came to be in such a place, but that is another story.

HOTEL IMPROVEMENTS

Extensive improvements are under way at the Windsor Hotel, which will make it, when completed one of the best appointed hostleries in Central Kentucky. The front or newest portion of the building, is being supplied with steam heat in each room, and a number of bath rooms are being installed on each floor. The parlors are being remodeled, elevator and furnaces put in and a number of other desirable features presented.

When these improvements are completed it is the intention of the management to tear down one of the ells of the building and erect an addition to correspond with the main portion of the building.

HIGH SCHOOL PLAY WINS

A large audience witnessed the presentations at the Paris High School auditorium Tuesday afternoon and night, of the High School play, "The Freshman," produced under the direction of Miss Blanch Smith. The cast of characters was in capable hands, and each one carried his or her part through in a most capable manner. Musical numbers were rendered by the Paris High School Orchestra.

STOLEN AUTO RECOVERED

Charged with having taken the automobile of Nathan Linville, of near Paris, without his consent, John Lawrence, alias John Morris, of Paris, was placed under arrest in Paris Wednesday morning by Patrolman Geo. W. Judy, and held to the grand jury at the March term of the Circuit Court.

The machine was taken from Linville's home last Saturday night, and no trace of it had been found, despite the diligent search made for it. Tuesday Mr. Linville received a message from Sharpsburg to the effect that his machine had been found abandoned about a mile from Sharpsburg. A former Sheriff of Bath county recognized Lawrence, and knowing that the latter did not own a car, began an investigation, when, it was alleged, Lawrence abandoned the car and came to Paris.

EFFICIENCY BOARD NAMED

Catesby Spears, of Paris, is a member of the State Efficiency Committee, created under the Lawrence act in the Legislature of 1920, which will meet in Frankfort to-day for the purpose of effecting an organization. The Governor has had a great deal of trouble in getting men to serve on the Commission. The board, as now made up, will be composed of Catesby Spears, Paris; Gabriel Wharton, of Springfield; Guthrie Coke, of Auburn; John Stoll, of Lexington.

The Commission was appointed for the purpose of making a thorough survey of all the State departments and institutions, wholly or in part supported by State funds and making such recommendations as they deem proper for promoting efficiency and economy in these.

LODGE NOTES

Four candidates were given the three degrees in Odd Fellowship at the regular meeting of Bourbon Lodge, I. O. O. F., on Monday night. They were from the consolidated lodges of Headquarters and Carlisle. A large number of members of both lodges came here to witness the work. The candidates were J. M. Smitson, E. W. Morgan, O. O. Earlywine and R. T. Hall.

A CHARMING DANCER

The audience which attended the Grand Opera House Monday and Tuesday nights was treated to one of the most artistic exhibitions of classic dancing it has been their good fortune to witness in many years. Miss Elizabeth Ferguson, formerly of Paris, gave a delightful and pleasing series of dances that were at once artistic and graceful. Miss Ferguson's interpretations were in accord with the best-known tenets of modern classic dancing, and her graceful figure glided through the intricate steps of the dance as lightly as thistle down settles on the earth. Her dances were worthy of artists of far greater experience.
